

Checking multiple library collections in Libby

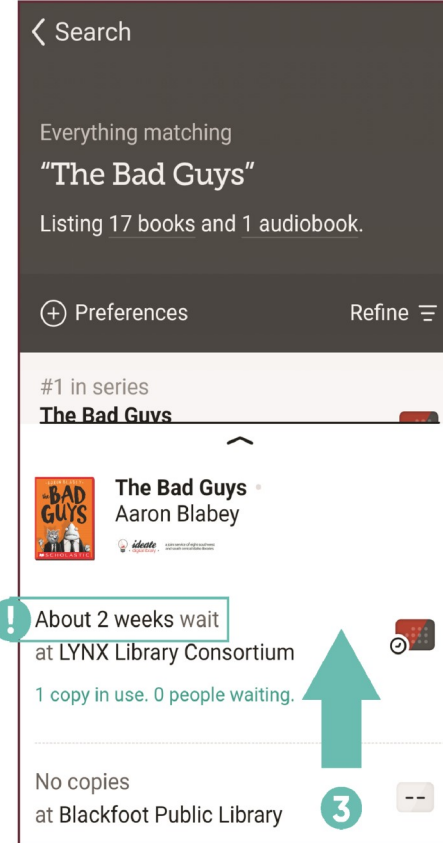

How do you quickly check for items in the other libraries you added?

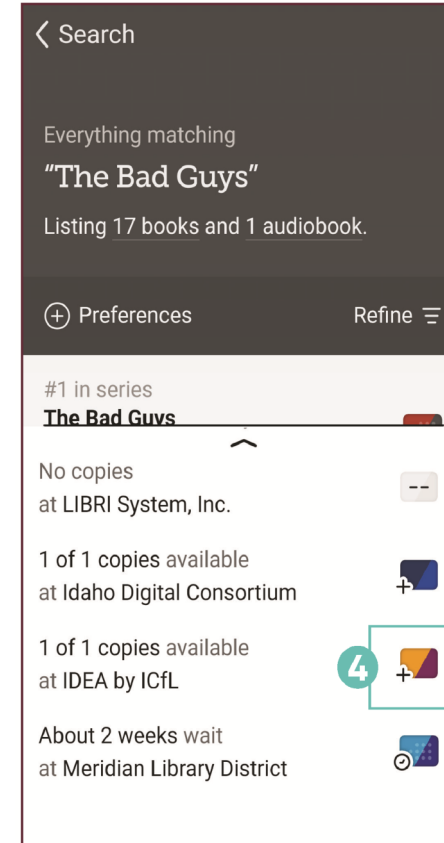

1 Search for the title you want.

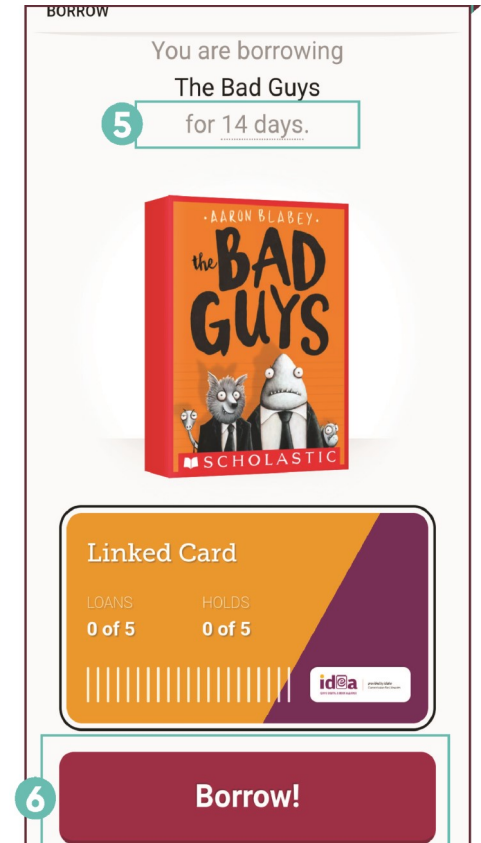

2 Tap the library card icon.

3 Swipe up to scroll through the list of all your libraries.

4 If you see an available copy, tap the library card icon next to it. (You'll see it has a plus sign on it.)

5 Choose the length of loan period you prefer.

6 Tap Borrow!
