

How to request an item on Libby

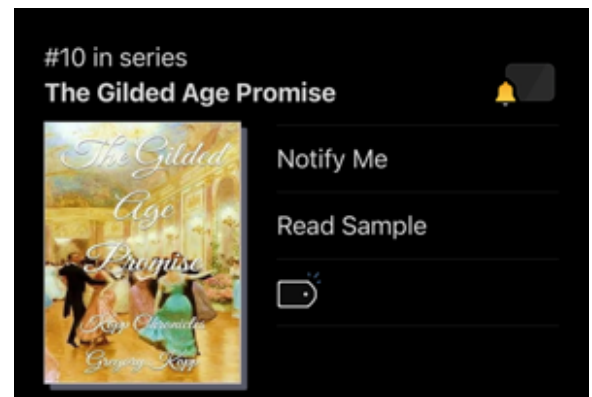

- Type the title in search bar

- If the title does not show up:
 - Tap the button with three lines
 - Tap deep search
 - Tap show "x" titles

- The book will not show up if it is available to be added to Libby.

- Tap "Notify Me"
- Tap the bell icon to request the library adds it to the collection.
 - You will now be notified if the book is added to the collection.
